

CAMP WETASKIWIN NEWSLETTER

December 2024

Here's what has happened this past summer and what's to come!

Welcome to the Camp Wetaskiwin newsletter! We are thrilled to share with you our most recent stories as well as what we are working towards in the coming months.

Firstly, we would like to reflect on the fantastic year and summer camp season we had. Camp Wetaskiwin welcomed over 100 campers over the course of the summer and we have received lots of positive feedback from parents and campers alike!

We would not have had as amazing of a summer as we did without the hard work of all of our volunteers! They did

a great job preparing and maintaining the camp throughout the summer season, so thank you volunteers!

This newsletter is just the first of many new ideas being brought to Camp Wetaskiwin. The new, tiny, but mighty, Business Development team is working hard behind the scenes to bring lots of new community events to Scouts Canada.

Thank you for joining our email list and enjoy the first Camp Wetaskiwin Newsletter!

Wetaskiwin Wish List!

In order to keep the community more involved with projects happening at Camp Wetaskiwin, we are creating a "wish list" of items or resources we need in order to accomplish these projects.

Check our newsletters regularly to see what projects we have going on or if we need any volunteer help!

Photographer Wanted!

We are creating a website dedicated to Camp Wetaskiwin and are searching for a photographer to take photos of our facilities. If interested, reach out to Kelly at kelly.middaugh@scouts.ca

Camp Wetaskiwin Story Nook

If you have been to Camp Impeesa, you may have visited their story tree. It is equipped with wooden benches, and a "little library". If anyone has built these before, please reach out to Kelly at kelly.middaugh@scouts.ca

Camp Wetaskiwin Photo Stand

Many scout camps have unique structures for photo opportunities for visitors. If you have thin logs that we could use to create a stand like in the picture above, that would be fantastic!

Thank you
