

CAMP WETASKIWIN NEWSLETTER

April 2025

A Big Wetaskiwin Welcome to Spring!!

Welcome back to the Camp Wetaskiwin newsletter! We hope you are looking forward to the upcoming long weekend as well as all the exciting Scouts Canada events!

Reflecting on last month, we hosted our first **March Break Camp** and it was a huge hit! All of our campers had a great time and the weather was fantastic for us! Having campers enjoying everything Wetaskiwin has to offer only made us more excited for **Summer camp!**

Speaking of summer, registration for **Summer Camp** is booming so if you are interested, please register while spots are available. While our 4-6 age group (Saplings) is full, we still have room in our 7-12 and 13-15 age groups!

We also have new Scouting events on the horizon like our **Upper Canada 1812 Challenge Camp** from April 25th to 27th. Also, Camp Wetaskiwin and 1st Beamsville will be hosting a **Cuboree** on the weekend of May 23rd to 25th, we hope to see everyone at these amazing events!

Our **Environmental Camp** is back this year and will be hosted on May 3rd. Groups can come and plant trees or help remove invasive species! We will also have some creek activities run by special guests as well as a Seed Ball Activity run by the NPCA.

Happy April everyone, and enjoy the newest edition of the Camp Wetaskiwin newsletter!
